

REPRESENT JUSTICE

ABOUT APART

The documentary [Apart](#) follows three unforgettable mothers incarcerated in Ohio — Tomika, Lydia, and Amanda — as they prepare to return home from prison and work to rebuild their lives after being separated from their children for years. Their stories overlap at Chopping for Change, a workforce development program run by Malika Kidd, an advocate who was formerly incarcerated in the same prison.

Apart premieres on PBS's *Independent Lens* on Monday, February 21. Watch on PBS and the PBS Video app starting at 10 PM EST / 9 PM CST. [Check your local listings.](#)
